A. INTRODUCTION

Throughout this Amendment these entities are referred to as follows:

Village of Koliganek	=	Village
Alaska Native Tribal Health Consortium	=	ANTHC
Cooperative Project Agreement	=	CPA
Denali Commission	=	Commission

On February 26, 2004, the ANTHC and Village of Koliganek executed a CPA authorized by the Denali Commission to complete design studies and construction planning for a new health clinic in Koliganek, Alaska. No construction will be performed under this project phase.

The project was funded by Denali Commission Financial Assistance Award Project No. 0071-DC-2002-I24, Addendum A, dated December 2003.

B. REVISION OF PROJECT BUDGET AND FUNDING SOURCES TABLE

This project was originally awarded \$90,000. This Amendment adds \$20,000 of Commission funding for a total award of \$110,000. The additional funds will add a waste heat system to the clinic design, and fund conceptual planning to renovate existing clinic space.

The additional funds are derived from Denali Commission Financial Assistance Award Project No. 0146-DC-2004-I29, Addendum A, dated December 2004.

A revised Project Budget and Funding Sources Table is provided below.

Job Type	Scope of Work	Qty	Units	Unit Cost	Total Cost	Funding Sources	
						Denali Com. FY02	Denali Com. FY04
M-DS	Design new clinic/waste heat system; plan to renovate existing clinic space	1	LS	110,000	110,000	90,000	20,000
Total Award					\$110,000	\$90,000	\$20,000

This document constitutes Amendment No. 1 to the CPA for the new health clinic in the Village of Koliganek, Alaska. All other sections of the original CPA remain in effect as agreed upon and executed.

MEMORANDUM

DATE: December 2004

FROM: Heritage and Environmental Consultant

SUBJECT: Village of Koliganek – Environmental Review
Amendment No. 1, Project No. AN 04-G93

TO: FOR THE RECORD

Based upon proposed Federal funding for this project, an environmental review in accordance with the National Environmental Policy Act (NEPA) and the National Historic Preservation Act (NHPA) is required. The Alaska Native Tribal Health Consortium (ANTHC) has considered all potential environmental concerns (specific and cumulative effects) associated with the project in consultation with applicable federal, state, and local authorities. An environmental review was completed in January 2004 with respect to the proposed sanitation facilities construction at Koliganek, Alaska under Project No. AN 04-G93. This Amendment will not change the scope outlined in the original document, and therefore no additional environmental review is necessary at this time.

If the scope of work is changed in the future, then the ANTHC will revisit this environmental review to determine if potential environmental concerns have been addressed.
